How to Use These Books

The Mini Tafseer Book Series is designed to teach children the Tafseer (exegesis) of all the suwaar (chapters) in the 30th Part of the Qur'aan. Each book in this 38 book series covers a different surah. The books feature:

- Special facts about the surah
- Arabic text of the surah
- English transliteration (to assist non-Arabic speakers)
- English translation
- Simplified Tafseer
- Coloring pages
- Highlighted Arabic vocabulary (linked to Ad-Duha Qur'aan lessons)
- One sentence summary of what the surah is about
- Review section
- Notes on the text (additional facts and information)

Teaching Tips:

If your younger child has trouble going through the whole book in one sitting, or does not retain all of the information taught, then just focus on the Tafseer pages first (i.e. those that explain the verses of the surah) and save the additional information contained in the Quick Facts, What's Special, Asbaab An-Nuzool, and Vocabulary sections* for later when your child has mastered the Tafseer.

For older or advanced students who need more of a challenge, you can take time to go through all sections and discuss the lesson notes for that section (located at the end of the text). This will make lessons more challenging and provide a deeper understanding of the Tafseer, and Allah knows best.

**Some books may not contain all of these sections.*
